

Chris Hadfield Public School
Food Drive for Helping Hand Food Bank

The Chris Hadfield community has been a strong supporter of Bradford's Helping Hand Food Bank since our school opened in 2013.

We are holding our food drive from January 23rd to February 14th, 2023 to support community members who need assistance in getting enough to eat. The collected food will be picked up by Helping Hand just in time for Family Day.

Donations of non-perishable food items will be gratefully accepted at the school on behalf of the food bank. Any non-perishable items are welcome. Some items that are in high demand are:

- baked beans
- peanut butter
- breakfast cereal
- instant oatmeal
- pasta sauce
- any canned protein like salmon or tuna
- chunky soup
- canned soups
- Kraft Dinner
- juice boxes for kids

Thank you for your kindness and generosity.
